

Piko wholefoods

CO-OPERATIVE

Eligibility and Funding Criteria

Piko Wholefoods Cooperative is a low profit charitable organisation that was set up in 1979. In 2001 Piko was registered as a charitable trust.

Piko looks to support organisations in the community that align with our principles. Organisations that we will consider funding include, but are not limited to:

- Within Canterbury
- Within the organic industry
- Community focused
- Fairtrade
- Environmental groups
- Vegetarian
- Organisations working with vulnerable people

We will not consider funding individuals or political parties.

Please fill in and return for our consideration:

Name of organisation:

Contact Person:

Amount requested (or specify if request is non monetary):

What will the money be used for (be as specific as possible, complete on a separate sheet if necessary):

We will follow up within 12 months and will expect a written statement on the impact your organisation thinks the donation had on your community ie did you meet your objectives? This information will be used for our Facebook and website as well as in our annual report and will be available to our customers.
